Vol. 67 No. 23

Cynthiana, Kentucky

January 12, 2017

Minister's Message:

Please remember to attend Bonnie and Tim's 50th wedding anniversary gathering this Sunday afternoon in the fellowship hall from 2:00 p.m. to 4:00 p.m. The celebration is being hosted by the children of the Teaters. You are asked only to bring yourselves and join in this memorable moment. Where would one begin to describe the influence these two people, both individually and collectively have had upon people? Certainly they are role models to many people in so many different ways. Their marriage, their love of family, their appreciation of friendships, and their commitment to the church and its' ministries are just a few recognizable qualities. Tim and Bonnie, in their fifty years of marriage and their lives of ministry to the church, certainly have set the standard for excellence. What a blessing they are to the Cynthiana Christian Church. Whether it be directing and ringing bells, working and sharing with the Garden of Eden, ministering with you in sharing the meals of the Lord's Lunch, funerals and funeral meals, and choir. I could go on and on. But I am writing this knowing that both of them would wish that I had not done so. Oh well! I am so blessed to be surrounded by such a tremendous staff, without question they are the best in what they do. Tim is so vital to what goes on here in this congregation, his faithful visitation, his counseling skills. I think we know how blessed we are with our music ministries. Pam and Marilyn are deserving of the high accolades. Brad is such an asset to our youth and Gary ministers so positively in many ways for our church. How blessed we are to have Tina and Lauren nurturing our little ones. And of course without Kathy and Sherry I would be at a loss in many areas. I appreciate the manner in which they assist me in my ministry as I do our entire staff. It is a pleasure to minister with you, here on the corner of Main and Mill. This Sunday afternoon we will gather to share warm feelings with two people who contribute to making this church, in my opinion, one to be extremely proud of. As a congregation, you are the best.
