## Potato Fest - Feb. 2

This year's potato fest will be a little different. We will still have the great food and we will still have great fellowship around the table but this year we will be in a space that allows everyone to be in one room. Because we will be together we can have some entertainment. At the end of the meal a Dean Phelps will lead us in a time of music. Dean is a singer and guitar player who has performed in many churches and at church functions. Recently he was the entertainment at the men's dinner at the regional assembly.

In order to offer the delicious deserts that we are known for we are asking the members of the church cabinet to help provide them.

### Minister's Message:

At the first of the year I had the opportunity to meet with Carl Nunnelley and his dad Darryl, to talk about a possible outreach project for our church. The meeting included also our fine outreach leaders Ralph Deitemeyer and Andy Peak. We all are aware of how Darryl has been involved in many meaningful ministries abroad and this is another one of those. He has shared some insight and vision with a person by the name of Shoney Wellspring. This vision involves a project entitled, "Project Liberia," the building of a bible college in this location. Shoney is presently in the United States sharing information regarding her dream. She has one Sunday left before her return and is going to spend this Sunday with us as a congregation. She will be sharing some of her message at the Sunday School hour in the new fellowship hall. All adult classes and the high school class will meet at 9:45 A.M. to meet and greet her. She will also be sharing a Disciples Moment with the congregation during worship. Outreach always comes alive when it has a face connected with it. Many of you remember Kennedy, a young man, introduced to us by Carl several years ago. As a congregation we shared in some of his college expenses. Carl reports that he is doing well as he has returned to his hometown to share his skills and knowledge. This is just another reason why I find great pride in being a part of the Christian Church (Disciples of Christ) when people work together wonderful ministries are given birth. Please plan on being a part of our Sunday School gathering this Sunday and receive information as to this worthwhile ministry. Our scripture lesson for this Sunday's sermon will be John 1: 29-42 and the sermon will be "Haven't Found What I'm Looking For."
