**NOTES OF APPRECIATION**

“My thanks to Pam and the talented choir for the beautiful song “When We All Get to Heaven” that they sang Sunday. Music is one of the many ways we can worship our God. I enjoyed it so much and appreciate that you honored my request.” Wanda Wolfe

“The cards and calls concerning the death of my sister-in-law, Kathy Hill, were so greatly appreciated by our entire family. I also want to say thank you for the Bread Committee’s extra work preparing yeast rolls to support the Backyard Ministries. Several members were ill on baking day, and we owe a special thank you to Chiquita Powers for sharing her expertise and hard work.” Bruce Florence

The Backyard Ministries Committee would like to thank everyone that donated baked goods, candies and or crafts for the fundraiser in December. A special note of thanks to the Bread Committee for willingness to take orders for homemade yeast rolls with proceeds going to benefit Backyard Ministries. A total of \$ 1,573.00 was raised to help those in our “own backyard.”

**Minister’s Message:**

We stand at the beginning of a new year and that is indeed exciting. Several of us have been looking into what might be some new programs in the life of our congregation. Those might include some different support groups, such as one for those who have recently lost loved ones. We are presently working with the chaplain at Hospice to see what might be available here at the church. We are also concerned about providing fellowship opportunities once a month for those families in our congregation with young children. We have targeted the first activity to be during the month of February. Specific dates will be presented next week. There is also talk of a new women’s Bible study to meet one night during the month, if that would be of interest to you, please contact Sherry Judy. Plans are also being made with individuals to address some specific subjects such as teenage depression, cardiac health, investments and will planning, and the newly established Jackie’s house in Cynthiana, which will provide shelter for needy individuals. We are also excited that Brad and I will be sending out a youth program schedule next week. It will give our youth programs for each Sunday from now until the end of May. Our present Wednesday morning Bible study has added five new members since the beginning of the year. They also will be scheduling a special study for the season of Lent. Our men’s Bible study will begin a new study Saturday after next, entitled “Beside the Bible.” It will examine books not in the Bible, but books that have, should or will create Christian culture. Please continue to look for these opportunities and take advantage of them. We also need assistance with increasing our attendance at Sunday School. We look forward with joyful anticipation of new ideas and programs. Hope to see you Sunday, at worship and Sunday School.
