YES...this is for our undergraduate students enrolled full-time in college. NO...you do not need to be a member of CWF to participate. Minister's Message:

I take this opportunity to share with you that I will be out of the pulpit this Sunday. Tim will be filling in for me as he does so well, and I know your worship experience with him will be a meaningful and inspirational one. Part of our family will be in Orlando, Florida supporting our Harrison County cheerleaders in their national competition. We have both cheerleaders and coaches in our congregation and we wish them well in their upcoming venture. I must admit that I become very nervous at these cheerleading competitions, much more so than I do at a basketball or soccer game. But while we are talking about cheerleaders, let us talk about a few happenings around Cynthiana Christian Church.

I cheer loudly for the success of the Potato Fest this past Sunday. To see our youth and adults working together on this significant project is a source of happiness. Thanks to the Membership Committee for leading the way and providing the received funds for the Winter Garden of Eden Project. I cheer loudly for the choir and that outstanding special on Sunday morning. This is in no way unusual, we are always blessed by the choir, and by Pam and Marilyn. Our choir members represent a group of people who are deserving of our highest accolades. The music ministry of the church is one that is enjoyed by visitors and members alike. I cheer for the young people of our church, ringing bells, serving meals, planning for upcoming mission trips, twenty-five or more attending Friday Breakfast Club. We also cheer for adults who work with them, cook for them, transport them, teach them, and support them in all their activities. I cheer for you as a congregation as I see you greeting visitors to our services of worship. I cheer because you are such a friendly and caring group of people. I guess I can cheer for myself because I have the opportunity to minister with you.
