Minister's Message:

Potato Fest, Super Bowl party, youth family fun night, we find ourselves a fellowship group of people. We love to eat and we appreciate being able to be together. This Sunday, February 19th is a youth family fun night beginning at 5:00 P.M. The evening will begin with families competing in ten different "Minute to Win It" games. Dinner will follow with pizza, tossed salad and drinks being provided for all in attendance. The evening will conclude with some discussion regarding upcoming youth activities, a recent survey that was sent out and upcoming camp dates. If you did not receive a survey, they will be available. We are working hard on strengthening our youth programs and look forward to you being able to assist us in doing so. We especially want to provide some fellowship opportunities for young couples with young children within the church family. Please mark this date on your calendar and plan to be in attendance. It promises to be a very enjoyable evening. Brad also needs to know how many youth and adults need tickets to attend the UK women's basketball game the next Sunday, Wildcats versus Volunteers. I know Kevin will be ready to go with us. Please contact Brad as soon as possible.

We also have two new groups beginning the first of March. One is a Bible study group led by Sherry Judy, an article about it appears in another part of the newsletter. I would like to remind you of the second group, a grief support group, led by Hospice counselor, Mary McKenzie. We need to hear if you are interested so we can set up a specific time for the group to meet. They will meet in the conference room of the church. Please feel free to invite your friends if they might be interested. The sessions will last for six weeks. Please contact the church office to indicate your interest. I hope you will be with us Sunday as we continue our sermon series, the sermon being entitled "The Reformation of Manners."
