#### Minister's Message:

How exciting it is for me to be writing to you regarding this upcoming Sunday, our Groundbreaking Celebration Sunday. Sunday, March 4<sup>th</sup> is one that many of us have anticipated for a long time. I cannot begin to thank all of the people who have worked hard in this needed expansion project. Needless to say, we are also grateful to you as a congregation who have come forth strong with your financial gifts and support. We also are so grateful for the prayers of many of you. Everyone and everything has been needed to bring this day to a moment of reality. Let me share some of the details so you can be informed. We will have our regular worship service, but it will be shortened from the usual service. Yes, the sermon will also be shorter. We will then make our way outside where the groundbreaking celebration will take place. You have several options. One is to make your exit through the main street door or the center door and walk around. Secondly you can make your way through the fellowship hall and outside down the alley. Or you can remain in the fellowship hall and watch through the windows and already be seated for lunch. After the groundbreaking time, we will come back in and be seated for a few moments at the tables and conclude our festivities. After a brief presentation and prayer, we will be ready to eat. The meal is pot-luck, so bring your dish or dishes. You can leave them in the kitchen during Sunday school and church. Please make sure you will be present on Sunday morning. If there is someone you need to invite and to make sure they participate in the effort, please do so. Our youth will be assisting with certain parts of the luncheon. It will be a time in the life of our church to remember fondly. Again I am so proud of you as a congregation and as individual members. What a blessing it is to minister with you in this community. Nothing could be done without maximum participation. I am so delighted that the legacy that has been passed down to us will continue for those who are to follow.  
See you Sunday.  
.....Larry
