Green Chalice News You Can Use: The average person spends 87% of their time indoors, and another 6% of their time inside a vehicle. Besides feeling closer to our Creator, the benefits of being outdoors include: lowered blood pressure; increased levels of Vitamin D, improving the immune system; improved long term and short term attention spans; boost in serotonin, the feel good neurotransmitter; increased activity in the parts of the brain responsible for empathy, emotional stability, and love; improved sleep; and prevention of Computer Vision Syndrome, the term used to describe eye problems caused by staring at a screen close to your face for prolonged periods. Commit to spend more time with God and his creations.

Vol. 68 No. 37 Cynthiana, Kentucky

April 19, 2018

Minister's Message:

American singer and songwriter Dierks Bentley has many outstanding hits in the music field. I especially appreciate the lyrics of his work "*Beautiful World*." They go like this:

"All the noise and the voices are screamin' what they have to say and the headlines and sound bytes are givin' me demons to hate. And the man on T.V. he tells me it's ugly, but if you ask me, it's a beautiful world, it's a beautiful world. There's tears and there's fears and there's losses and crosses to bear and sometimes the best we can do is just to whisper a prayer. Press on because there's so much to live for and so much to love, in this beautiful world, say what you will but I still believe it's a beautiful world. So I hate that I sometimes miss what's right in front of my eyes, and I know at the end of the road I'll be wantin' more time. Just another sunset. One more kiss from my baby, a smile from a friend. Say what you will, but I still believe it's a beautiful world, oh, it's a beautiful world."

This Sunday in the life of the church is Earth Sunday. I am pleased to inform you that our worship service will highlight this theme for us. Members of the Green Chalice Committee will be joining with me as participants in our time together. As our above song mentioned, we must not listen to all the critics that are out there. Sure we have many problems in the world around us, but there are so many blessings to be thankful for. What we do have is a responsibility to assist in taking care of this world. We can't keep on looking away from the problems around us, but rather must rise up and address them with our Christian faith. We are called to be good stewards of this beautiful world. Our sermon topic for the occasion will be "Jefferson Dinners," and the scripture will be I John 3: 16-24.
