Remember, Green Chalice has not found a free, ethical recycling vendor for televisions or computer monitors. Please do not bring these to church. Vol. 67 No. 37	Cynthiana, Kentucky	May 11, 2017

Minister's Message:

I appreciate your comments regarding Sunday's sermon on community. Our main springboard was a quote from one Howard Thurman. Thurman suggests to us, "The moving finger of God in human history points ever in the same direction, there must be community." We realize that without community our lives would be nowhere as fulfilled as they are now. We are so appreciative of the relationships that are so meaningful to each and every one of us. In fact here at Cynthiana Christian Church, we oftentimes refer to ourselves as "A People Who Care."

What makes a community is an environment where everyone feels a sense of purpose, where the opinions of all are extremely valued. That is why I am asking you to make sure you have shared your opinion regarding our upcoming capital campaign. Our working partner, the Board of Church Extension, needs to hear from you by Sunday, May 14th. You can turn in your paper copy of the survey in a box that will in the sanctuary this Sunday. You can also fill out an online survey, <https://www.surveymonkey.com/r/Z3GFLKT>. Please note, if you fill out the paper survey, you do not fill out a paper copy of the survey. Also, one person per family unit is to fill out the survey. Copies of the survey will be available at the church this Sunday.

I ask you to please make this a priority in the next couple of days. If you have questions, feel free to call the church office. Or you can also contact one of the capital campaign members, whose names have been provided for you at several different times. We need each of you to share in this opportunity, please let your voice be heard. I am confident that this is such an important issue for our beloved church that you will faithfully respond.
