Vol. 67 No. 38 Cynthiana, Kentucky May 18, 2017

Minister's Message:

I have two items of concern to share with you in this message. One is to again remind you of our interest survey as it relates to the capital campaign. We have received news from the Board of Church Extension that 85 or so such surveys have been received, many sent directly to them and others sent to them from paper copies turned in to the church. We have one more week to get these surveys in. Please take the time to do so. It is urgent that we hear from each and every one of you. If you have not turned in your survey on line or have filled one out, I know you will make that a priority before the deadline, May 21st. Thanks for your concern.

I also want to invite you to be a part of our worship service on Sunday when we will recognize our high school graduates. If you have a graduate in your family please inform the church office as soon as possible. We also desire to have the names of our college graduates as well. The sermon for Sunday will be entitled, 'The Parking Theory of Life.' Some of what I will be saying I found in some insightful quotes I want to share with you. Paul Freund once wrote, "At commencement you wear you square-shaped mortar boards. My hope is that from time to time you will let your minds be bold, and wear sombreros." I appreciate this quote as I know you do as well, the author unknown, "Find something you love to do and you'll never have to work a day in your life." Please be here Sunday morning to recognize our high school graduates. They are fine young people that should make their parents, grandparents, and family members extremely proud. Each and every one of them is deserving of the highest accolades.

.....Larry
