CWF Circle Outing: Anyone and everyone is encouraged to attend the next CWF outing. We will be given a tour of the historic Lair Vault by B.T. Darnell. Meet at the church inside Bish Hall at **10:00 AM on Tuesday, June 21**. Little walking is involved. It may be muddy inside the vault: older shoes or boots are recommended. Car pooling of higher clearance vehicles is encouraged. They have already reached their donation goal for renovation of the Vault.

Green Chalice News You Can Use: Summer and picnics are here. Try the Green Plate Special: reusable dishes rather than disposable. If you absolutely must use disposables, try paper products that can be recycled even if soiled. Just scrape and toss in the black bin. Remember Central Kentucky Hauling will recycle used, empty pizza boxes as all other paper or cardboard products. If plastic is a must, wash and reuse or always recycle. Styrofoam is the least green of disposable choices. It is not recycled by Central Ky Hauling and must be trashed, making the landfill larger.

Double your contributions: Heifer International is helping 700 small-scale Honduran farmers increase their produce, so they can feed their families and send their children to school. All donations made to this campaign up to \$684,000 will be matched dollar-for-dollar, and will be applied to Heifer projects in Honduras. Please consider making a contribution. Checks can be made to Cynthiana Christian Church with Heifer on the memo line.

Vol. 66 No. 45

Cynthiana, Kentucky

June 9, 2016

Minister's Message:

SO FAR, SO GOOD!!!! God is doing His part, no doubt anticipating how much His Garden of Eden servants are going to be able to do to make His love known by many dear souls. Folks, there are little tomatoes in evidence on the tomato plants! The potato plants are lush. Just ask the potato bugs! Everything is coming up. The beets are the best ever! Get ready, especially Jean Roles! In addition to the yellow squash just about to blossom, the ZUCCHINI plants are just about to do so! Think of the laughs which will come along with the delight when the zucchinis are delivered... and delivered...and delivered! Ha!

Folks, isn't that one example of the great joys and positives of living and serving in the Christian faith? No other institution under Heaven allows such in our lives. Through the many creative and naturally resulting ministries from the Christian faith, active members of Christ's church have served our Lord. They have evangelized in ways that have made God's grace known and received until there is a surrender to His will. They have also found a joy of which they can only naturally witness, because of its intensity and surety.

No. There is no other institution which can provide such so powerfully. How many times have you shared with me, after having walked through some deep valley, knowing God's strength and the number of Christians who walked with you, let alone His grace, the sorrow for those souls who choose to neglect the love of God, living their lives without Him and the fellowship of the church? It is indeed a sad shame. To pass up any supply or extra dose of God's grace...the church and its faith...is a loss of great opportunity, isn't it?

Yes. So far, so good! God is STILL doing His part, your congregation is STILL doing its part. And God is STILL anticipating how much His plans for you will bless your life and turn your life into a blessing for others. May you help His dreams for you come true! It is sure a lot of joy, unspeakable...and fun!
