

As you might recall, the proposed church expansion includes:

1. Moving the choir room to ground floor level to alleviate access problems for choir members.
2. Increasing the size of the fellowship hall to fix our over-crowding issues
3. Add additional classroom space for several overflowing classes.
4. Add additional restrooms more accessible to the sanctuary.

I would like to thank George Jacobs and Gary Bruner for agreeing to be our capital campaign co-chairs. Charla Nunnelley, Jon Hoskins, Rick Dycus, and Larry Carey for also accepting leadership positions of this campaign. They all encourage your questions and input as we move forward.

Please plan to take part on August 6<sup>th</sup>. This is a big day in the life of our church. It is very exciting that we can be a part of strengthening our facilities for the future of our church.

Vol. 68 No. 2 Cynthiana, Kentucky July 13, 2017

**Message from our Board Moderator:**

We have entered a new church year and I want to thank the congregation for their approval of the 2017-18 church budget at our June 26<sup>th</sup> business meeting. Also, I would thank Buddy Renaker and the Finance Committee for developing the budget and Karen Adams for her many years of service as our moderator. More than she planned I'm sure.

In mid-May, many of you participated in an online survey as part of a church expansion feasibility study. In fact, 114 of the 175 church giving units participated. The results were very positive, and we have learned that:

- 95% of survey respondents agreed or strongly agreed that the "Cynthiana Christian Church effectively meets and supports my spiritual needs."
- 95% of survey respondents agreed or strongly agreed that the "Cynthiana Christian Church provides me with opportunities for fellowship and community."
- 96% of survey respondents agreed or strongly agreed that they "believe in and trust the leadership of the church to make decisions for the future of our congregation."
- 85% of survey respondents agreed or strongly agreed "that the church's financial situation is healthy and secure."
- 83% of survey respondents agreed or strongly agreed that "if Cynthiana Christian Church conducted a fundraising capital campaign to complete" an identified expansion project "the membership of the congregation would be supportive of the campaign."

Church extension office advisers from Indianapolis have been encouraged by the level of response to the survey and have confirmed estimated giving to be within range to support a church expansion. This has led Church leadership, which includes the board, trustees, and key committee chairs to recommend a congregational vote to enter into a three-year capital campaign in giving toward our church expansion. This will take place on August 6<sup>th</sup> at the 10:45 worship service.
