Celebrate Evangelism at Marie Hehr Park – Aug 16th

Celebrating evangelism testifies to our mission as a church of people who care. If the angels in Heaven celebrate when a lost person is found, we should also. It’s about fulfilling our mission to make disciples of all nations for Jesus Christ.

Circle Sunday August 16th on your calendar. Join the MEC Team at Marie Hehr Park at 4:00 for Gospel games, challenges, and a Gospel musical tribute to ELVIS, who passed away on that day 38 years ago. Following this social time we will partake in a potluck supper. Pasta and beverages will be provided; bring a favorite dish or dessert.

Extend an invitation to friends, family, neighbors, and co-workers. We would be blessed to have them join in the afternoon activities and meal. We are asking **YOU** to invite others to this event. Utilize the invitation card info below as a reminder. Call, text, email or personally deliver your invitation. Share in the fruits of the spirit - May they find the hope, peace, love, forgiveness, and purpose that we have found in Jesus.

Minister's Message:

Joe Flacco is the quarterback for the Baltimore Ravens. He has the reputation of always being willing to sign autographs after sessions of training camp. This past Tuesday he was on the receiving end, not the giving end. His surprising gift was provided by a Special Olympic athlete who gave to the quarterback a medal that he had recently received for his efforts. The winner even added a personal message on the ribbon which read, "Never give up, love, Stephen." Stephen was one of the sixty special Olympic athletes visiting the Ravens' training facility.

I had heard of Flacco's involvement with Special Olympics from Jordan, who spent several years working with this beneficial organization. I was very proud of Jordan's efforts from this time in his life and career. Jordan shared with me that Flacco had been a supporter of Special Olympics since he joined the Ravens in 2008. Flacco has been a television spokesman for Special Olympics as well as appearing regularly in the Polar Bear Plunge, an annual fundraiser.

Our church should be proud of two special athletes in our congregation, Nathan Helsabeck and Aaron Hines. Nathan and his dad, Bill, recently won Gold Medals in the Special Olympics Golf Tournament. Nathan also participated in the Spring Olympics, displaying his abilities in the softball throw and 100 meter dash. We also highlight the track and field efforts of our own Aaron Hines. Aaron was involved in several Spring track events and did extremely well in all areas. We are extremely proud of Nathan and Aaron, as we are of other athletes. If you want to know more about this program and how you might be of assistance, check with Dr. Brett Hines, Karen Adams, or Bill Helsabeck.

Joe said about his gift, "These athletes are so genuine. You have to love it. You can see how excited they are. It is so refreshing to be around them, they give you so much." Pause for a moment this week and give thanks for those who share with you meaningful gifts. It may be a hug, a smile, a hand-made gift, a word of thanks, or just their presence. It is what memories are made of, even for a star N.F.L. quarterback.Larry
