### Minister's Message:

Tim will be filling in for me this Sunday in the pulpit as I will be in St. Louis, viewing four of Elizabeth's soccer games over the Labor Day weekend. I hope the weather is cooler this weekend than it was last weekend. Many of you had children playing soccer this past weekend and it was painful just sitting on the sidelines much less playing. I enjoy St. Louis. I first visited the city in 1960 with my father as our scout troop attended the National Jamboree in Colorado Springs, Colorado. The next visit was with Anna for the General Assembly of the church. That was back in my jogging days. I remember we had visited the Botanical Gardens in St. Louis and I came up with the bright idea I would jog back to the hotel. She told me it was too long a distance, but I was convinced it was not. After all, I could see the arch and we were staying at the base of the arch. Anna was correct. It was ten miles from the gardens to the arch. It may have only been six, but ten sounds better. I know it was long enough. The next visit to St. Louis was another General Assembly, this time with my friend Gary Dearborn. We spent a Saturday afternoon filling up sand bags for flood relief. It was not long after, I made my last trip to St. Louis. Several of our adults and many youth went to St. Louis for the terrible flood. Our job was to remove those wet sand bags from neighborhoods that had been flooded. We also were joined in relief efforts by two men I will forever remember fondly, Jim Barnes and Harry Harney. These fine Christian men rewired an A.M.E. church in Arnold, Missouri. The last trip to St. Louis was without question the most rewarding one. Do not forget this Sunday is our last occasion to contribute to the Week of Compassion funds for relief in needed areas. Week of Compassion funds were with us there in St. Louis, Week of Compassion funds were here in Cynthiana with our flood in 1997. Who knows, I might try to find that church in Arnold, Missouri if I have any free time. I would like to go back to that subdivision and recall where our youth worked so hard. I have many pleasant memories in my lifetime, but none of those top the trips I have made with fellow church members and youth to assist those in need. The good news is we can do it in other parts of the country, we can do it right here in our own backyard.
