Minister's Message:

It is hard for me to convey my feelings of pride in your response to our Week of Compassion Offering. As of today we have received an amount of \$ 9,640.76 to send to meet the needs of those who have suffered from the storms in both Texas and Florida. This is an outstanding response but one that does not surprise me. It is your mannerism to always respond to any challenge in a positive manner. As I reflect over the years, I can come up with many moments when you have been outstanding in your meeting of a challenge. We pray that these gifts will be used to meet the needs of those who have had their worlds turned upside down. I certainly want to invite you to make sure to be present for this Sunday's worship service, which has been promoted as Victory Sunday for our church. On this particular day we will be sharing with you the response you have made with your covenant cards. I am pleased to announce that we have had over 80 of those cards turned in. The Capital Campaign Committee will share the results of the covenant cards with you on Sunday. If by chance, you have not been able to turn in your card, you may do so any time to the church office or by mail. If they are received before Friday, they can be included in the amount to be shared. A note of thanks to all of our workers within the campaign and a special thanks to you as a congregation for your projected gifts and yes prayers. We take this time on Sunday to realize how we are grateful to continue the legacy that has been passed down to us. Our sermon will be entitled, "Take the Bones of Joseph With You." This church has indeed been surrounded by a 'great cloud of witnesses.' I am always filled with inspirational feelings when I remember those who have gone before us. See you Sunday.
