Minister's Message:

Sunday worship was a very meaningful one. We were blessed with an inspirational message from the choir. It was World Communion Sunday. We also were inspired by a Disciple Moment shared by Donna Jacobs. Donna highlighted the music program of the church, under the direction of Pam Henson. This month marks the tenth year that our music program has been under Pam's direction. Donna expressed appreciation for Pam's efforts as she did for another mainstay in our music ministry, organist Marilynn Bell. This church has many blessings, but one of those blessings would have to be Pam and Marilynn, as well as an outstanding church staff. This staff would have to be referred to as the A plus team.

This Sunday we will discuss some individuals who had a reason to express some words of thanksgiving. But they did not do so. The story is told in Luke 17: 11-19, a story of the ten lepers who were healed, however only one returned to give thanks to Jesus. In all my years of ministry I have wondered what happened to the other nine. We are going to look into their lives this Sunday as our sermon will be entitled, "The Much Maligned Nine." It may be a mistake for us to believe that these nine individuals were not good people. In all probability they were. One Bible scholar described them as "People who scoop up their blessings and get on with life." He could have been talking about each of us. This story seems to suggest that all of us should live life with an attitude of gratitude. In many ways, we are like the nine lepers. We may be busy. We all have those good intentions. It is in moments of being busy and getting around to it one of these days, that people who have been special to us are left without our words of gratitude. We must do better. See you Sunday.
