**Heritage News:** Be sure to peruse our second history bulletin board. It is in Bish Hall and covers the 12 ministers and 5 expansion projects from 1901 to present day. Currently we are attempting to collect, label and share church photos. Be sure to check the church’s Facebook page to see who we know and help us identify the unknowns. Not on Facebook? We had displays in Bish Hall before and during last Sunday’s meal. They will return on October 16th, when there is another meal. Have a photo to share? If it is a printed photo, place in an envelope, that contains your name, and leave in the church office. Please include a note with names and an estimated date for the photo. Prints will be returned. Want to share a digital photo? See Julie Edwards for her cell number or call the church office. Submitted photos don’t have to be vintage. Your recent photos will be vintage before you know it.

Vol. 72 No. 7 Cynthiana, Kentucky October 13, 2022

### Minister’s Message:

I have several items of concern to share with you. The first one is a reminder regarding the special luncheon this Sunday after church. It will feature homemade chili, potato soup, sandwiches and dessert. This luncheon is for the purpose of supporting the special project of providing stained glass windows for the new fellowship hall. You should have received a letter this week with information concerning the project and more facts will be shared Sunday at the gathering. You will also receive the sharing of news that relates to another activity, an open house, at the historic home of Jeff Gillespie, the next Sunday, October 23<sup>rd</sup>. This will also be for the purpose of supporting this project. Specific details will appear later next week.

As announced on Sunday our Return to Church Committee has given to us the approval of going back to our regular communion practices. This will begin this Sunday, but individual prefilled communion will still be available if people want to continue to use this method. This should put us back to all of our normal elements of worship prior to covid. Thank you for your patience and thanks also to our Return to Church Committee for their leadership in this time of crisis. This past Sunday our Outreach Committee placed grocery bags in the pews for you to take home and fill with the desired items for Christmas baskets to be prepared for needy families. If you did not get one of those, they are available as you enter the door where Mrs. Mattie welcomes you. Please pick these up on Sunday, inside you will find a list of needed items. The first Sunday in November is All Saints Day, a service led by our youth. Please turn in the names of those deceased that you want to be read as a part of the service. You may turn those into the church office. This Sunday morning we will continue our visit to Westminster Abbey, our person of interest, William Wilberforce. Hope to see you Sunday morning.
